May 2016

Dear New Tisch Student:

Congratulations and welcome! To help you begin your career as a Tisch student, we have created this handbook to allow you to register early for your fall 2016 courses.

We encourage you to register early so that you will have the widest variety of course selection options. Registration begins on Tuesday, June 7 at 12:00 noon. You should register on or around this date in order to avoid reduced options for course selection. Please note that the University’s Office of the Bursar generates tuition bills for all new students regardless of whether or not they have registered for courses. The payment deadline set by the Bursar is August 9, 2016. Students who have not met this deadline will be de-enrolled.

You will receive information regarding new student orientation in early July. Orientation, which is required of all new students, begins on August 28. During that time, you will meet with your department academic advisor to discuss your educational and professional goals and any amendments that may be needed to your fall schedule. There is a two-week period at the beginning of each term during which students are allowed to make changes in their course schedules. Your department will have more information on the drop/add process.

Please read the following materials carefully, which will guide you through the process of selecting your courses and registering via Albert, NYU’s computerized registration system. If you have questions about the registration process or specific courses please call your department’s Help Line or call the Student Affairs Office at (212) 998-1900.

We hope you have a restful and enjoyable summer. Everyone at the School looks forward to welcoming you in August.

Sincerely,

Robert Cameron

Robert Cameron, Associate Dean for Student Affairs
Registration Instructions

This handbook is designed to help guide you through your first registration. It is divided into various sections about your department, and includes a section explaining the University’s Expository Writing policy.

As an incoming student to the Tisch School of the Arts you will have the widest range of choices in setting up your first semester curriculum prior to your arrival at NYU. You can register beginning June 7, by using Albert, the University’s online registration and information system. The University Registrar will randomize registration appointment times for all new students at 12:00 noon and 12:20 p.m. (EST). Please check your Appointment time in your Student Center Albert account.

Here is all you need to do to register beginning June 7 at either 12:00 noon or 12:20 p.m. (EST):

Read this booklet carefully and make your course selections based on the guidelines provided by your department. You may want to sketch out your weekly schedule to be sure that your courses do not conflict.

Complete your Registration Worksheet using the instructions provided at the end of your department’s section. If you have questions regarding your program, you should call your department helpline indicated on page 10 of this handbook.

You will access the Albert online registration system through your NYUHome account. To do this, you first need to activate your NetID. Log on to the video presentation on how to activate your NYU Net ID by clicking here: http://www.nyu.edu/registrar/sis/student_center_training.html. You can also learn other Albert features, such as how to search for courses, review your degree progress, and view your grades.

Once your account is activated and you are ready to register, login to Albert using NYUHome (http://home.nyu.edu). Instructions are below.

With your Worksheet complete and NYUHome account activated:

- Go online to https://home.nyu.edu and login using your Net ID and password
- Click Academics, then click the ALBERT login button.
- Once there, click Student Center, then click Enroll and you can now register for classes.

Payment questions can be addressed through the Bursar’s website at www.nyu.edu/bursar.

When you arrive on campus in August (remember New Student Orientation begins the week of August 28 and is required of all new students), you will meet with your academic advisor who will review the fall schedule for which you’ve enrolled. If necessary, changes in your program can be made at that time.

The Program

The undergraduate program in Dramatic Writing, which leads to the Bachelor of Fine Arts degree, is divided into six parts: writing workshops, text analysis, production/performance, liberal arts, expository writing, and electives. Students may enter the program either as a freshman or as a transfer student. The curriculum as a whole enables you to analyze the dramatic text as it has developed since the time of the ancient Greeks, learn the rudiments of production techniques, explore the world of performance, and develop and refine writing ability through a series of intensive workshops.

During the four years of study, students acquire a strong liberal arts background while sharpening writing skills. This grounding in the arts and humanities encourages the development of imagination and intellect—essential parts of a writer’s training.

For upper-class students, the major in dramatic writing serves as pre-professional experience. Work is judged by eminent writers according to rigorous standards. Students also get a realistic view of the profession through meetings and discussion with producers, agents, and directors—the people with whom the dramatic writer works.

The undergraduate program is designed to be completed in four years of full-time study. By the senior year, each student is expected to develop several full-length works for film, stage, or television.

Candidates for the bachelor’s degree must fulfill the following requirements:
• A minimum of 44 units in writing and text analysis, comprised of workshops, lectures, seminars and apprenticeships.

CORE WRITING WORKSHOP

CRAFT OF VISUAL AND DRAMATIC WRITING I

This course examines the essential elements of dramatic structure through analysis of classic texts for stage and film using the primary elements of plot and character as defined by Aristotle in The Poetics (as well as the secondary elements of dialogue, thought, spectacle and song). The same principles are used to discuss students’ original work in weekly workshop sessions. Students are required to write and revise a ten-minute play or screenplay, and complete a 20-30 page play or screenplay. In workshop sessions, students read and criticize each other’s work in order to help each writer realize the full potential inherent in the work.

Note: You must register for Lecture and Recitation with the same instructor. You may register for either the colloquium section 13 OR colloquium section 14. You will stay with your Craft instructor and your Colloquium section for the full year.

**LOCATING LIBERAL ARTS COURSES**

Most of the courses you will take to complete your Liberal Arts requirements are offered through NYU College of Arts and Science. Courses that count toward the Liberal Arts requirement are those that broaden student perspectives through research, analysis, historical overview and/or critical thinking. Courses that do not count toward this requirement are professional or practical in nature or apply toward your departmental requirements. Notably, creative writing courses, and courses that teach how to write for journalism do not credit for general education. Courses taken at Stern, Steinhardt and Gallatin will not credit for General Education. In your first semester, it is recommended that you take a Cultures & Contexts or Texts & Ideas course, offered through the College of Arts and Science Core Curriculum Program (CORE). Course numbers for Texts & Ideas range from CORE-UA 400-414, and for Cultures & Contexts from CORE-UA 500-543.

Ways to search for General Education courses:

- Through the ALBERT registration site ([https://home.nyu.edu](https://home.nyu.edu)), you can see a full listing of departmental courses and availability for the semester, view course descriptions, and search for courses within a department that occur during preferred days/times.
  - Cultures & Contexts and Texts & Ideas courses can be found under “Core Curriculum Program” (CORE-UA prefix) within College of Arts and Science course offering page.
  - If you are looking for the schedule for Art in the World, the course subject in the dropdown menu is “Expository Writing” also within the College of Arts and Science.
Frequently Asked Questions

When can I declare a double major or minor?
Students generally wait until their sophomore or junior year to declare a minor or double major. Once you decide on the area you wish to pursue, you should check with that department regarding its requirements for a minor or double major. The Dramatic Writing academic administrator, Daniel Disla, can advise you further about the procedure for declaring a minor or double major.

Can I receive credit for my Advanced Placement (AP) exams?
Please refer to the Policies on Advanced Standing section at the back of this handbook for more information.

Can I place out of The Department of Art and Public Policy Core Curriculum?
No. Neither AP units nor high SAT scores can replace the Core Curriculum. See the Department of Art and Public Policy section at the back of this handbook for further information.

How do I make changes to my course schedule?
You will be able to drop and add courses using ALBERT, the University’s web-based registration/information system. There is a strict drop/add schedule that is outlined in the school’s policies and procedures handbook which you will receive during orientation. You should know that all changes in your schedule must be approved by an advisor.

When is my tuition due and what happens if I don’t pay on time?
The payment deadline is August 4, 2015. Any student who has not paid his/her tuition bill by this date will be dropped, or de-enrolled, from all courses. You may contact the Bursar’s Office at (212) 998-2800 (website: www.nyu.edu/bursar) if you have any questions regarding your tuition bill, or need assistance. The Bursar’s Office does have a number of Deferred Payment options. If there is a problem relating to the proper crediting of your financial aid to your bill, contact the Financial Aid Office (212) 998-4444 or Dory Smith-Wilson in the Tisch Office of Student Affairs (212) 998-1900 or dls1@nyu.edu. Students who have been dropped from their courses have no guarantee that they will be able to re-enroll in the same courses. You should contact the Dramatic Writing Department immediately if you become de-enrolled.

Do foreign language classes count toward Liberal Arts Requirements?
Yes, if you choose to take a foreign language class it will count toward the Liberal Arts requirement; however, if you are taking a language at the elementary level, you must complete two semesters (Beginners I & II) of the same language in order for it to count toward Liberal Arts. If you take only the first semester of a foreign language at the elementary level, it will count as an elective credit, and will not count toward your general education requirements. Once you complete the second semester of a beginning level language, you should notify your advisor so the first semester course can be credited as General Education.

Please note: All courses taken at the Steinhardt School of Education, Stern School of Business and the Gallatin School of Individualized Study will only credit towards electives and will NOT credit to General Education. You will not receive any credit at all toward your degree for any courses taken at NYU School of Professional Studies.
1. Gather all registration materials prior to visiting the ALBERT online registration system, including: your student ID number, course schedules and completed registration worksheet. (See Below)

Deartment of Art and Public Policy Core Curriculum

Fall 2016
Department of Art and Public Policy Core Curriculum
Required for all Freshmen, two semesters Fall and Spring
Expository Writing - Art in the World (Fall)
The World through Art (Spring)

This Core Curriculum is required of all Freshmen and fulfills their Expository Writing requirement. The Core Curriculum consists of two courses—Art in the World offered in the fall semester and The World Through Art offered in the spring semester. All incoming Freshmen must take both semesters. The fall course consists of a plenary lecture that will meet three times throughout the semester and an essay writing class that meets twice a week. In the spring, the lecture component meets once each week and the writing class meets twice a week. Passing the fall course is a prerequisite for enrolling in the spring course.

The courses mix different artistic media so as to integrate students’ various professional interests, and combine practical and theoretical approaches to achieve a comprehensive grasp of the work that art can do in the world. These writing courses are intensive, interdisciplinary and collaborative. Lectures and workshops focus on how to read complex texts for an understanding of their arguments, and how to write well-reasoned essays supported by evidence.

These courses are designed to foster an appreciation of how the arts relate to each other and to society in a changing world. These courses will allow students to reflect on a range of social and ethical issues as they pertain to their own creativity.

Section 051 is restricted to international ESL students. Please email dm1@nyu.edu to register for this class.

International Students and Students for whom English is a Second Language (ESL)

International students and English-as-a Second Language (ESL) students have the same Core Curriculum and Expository Writing requirements as domestic native speakers of English. However, English-as-a Second Language (ESL) may have requirements differing from those listed above depending on the level of English Proficiency.

TISH and the Expository Writing Program (EWP) may require ESL students to be tested upon arrival to satisfy proficiency standards set by NYU’s American Language Institute (ALI). Based on the ALI’s recommendation, prerequisite work (EXPOS-UA 20 or EXPOS-UA 21) may be required. An ESL student required by ALI placement results to complete the prerequisite work must do so prior to enrollment into the core curriculum Art in the World/Writing the Essay (EXPOS-UA 5) in the Fall semester and The World Through Art/Writing The World (ASPP-UT 2) in the Spring semester.

English as a Second Language students who are not required to take the ALI placement test but who do experience difficulty with reading and writing in English should register for designated sections of the core curriculum designed at a conducive pace. In Fall, this section is: Art in the World/Writing the Essay (EXPOS-UA 5) section 51. This section is restricted to students who qualify. For permission to register please contact Ms. Denice Martone in the Expository Writing Program at denice.martone@nyu.edu. In Spring, check ALBERT for ESL sections of The World Through Art/Writing The World (ASPP-UT 2).

Students who are uncertain about placement should visit the Expository Writing Website International page where there is a link to a self-diagnostic assessment test: http://www.nyu.edu/cas/ewp/html/international.html.
POLICIES ON ADVANCED STANDING FOR FRESHMEN AT THE TISCH SCHOOL OF THE ARTS

For students admitted as freshmen, Advanced Standing, may be granted based on examination results and the evaluation of college courses taken while in high school. The total number of advanced standing units granted cannot exceed 32. The granting of credit is subject to certain conditions as described below. Note: The Department of Dance does not grant any advanced standing credit based on examination results (AP, IB), and limits the number of advanced standing units for college courses taken while in high school to a maximum of 8.

Advanced Standing credit received by NYU is evaluated and posted early in the first semester of enrollment. Freshmen expecting to receive advanced standing credit should check the transcript on ALBERT to ensure expected credit is posted by mid October. In order to transfer in AP credit, an official report must be sent to NYU.

Credit for Coursework
Credit may be awarded for satisfactory work completed at another accredited college or university. Upon admission, records are examined carefully to determine how much, if any, advanced standing will be granted. Each individual course completed elsewhere is evaluated and measured against similar coursework offered at NYU. For students admitted as freshmen, credit for courses with a course equivalent at NYU’s College of Arts and Science is usually granted if the grade obtained is “B” or better. No credit is granted for college writing or expository writing courses or for courses taken on a pass/fail basis. Credit will not be granted for college courses that satisfied high school graduation requirements.

Credit by Examination
The Advanced Placement Program (AP) (College Entrance Examination Board) and the International Baccalaureate Program (IB) enable undergraduate students to receive credit toward the undergraduate degree on the basis of performance in college-level examinations or proficiency examinations related
to the school’s degree requirements, subject to the approval of the school. Instructions for sending AP scores to NYU can be found on the College Board website: www.apcentral.collegeboard.com.

With the exception of the Department of Dance, the Tisch School of the Arts participates in the Advanced Placement Program of the College Entrance Examination Board. In accordance with New York University policy, students may receive college credit toward their degree for AP tests taken prior to the completion of high school and with results of 4 or 5. See chart on the following page for details on Advanced Placement test scores for which credit is given. AP units sent to the University will be applied to students’ records by October. For additional information, students can consult with the Assistant Director of Academic Services at (212) 998-1920, or email tisch.academic.services@nyu.edu.

For the International Baccalaureate (IB) examination, The Tisch School of the Arts recognizes higher level examinations passed with grades of 6 or 7. No credit is granted for standard level examinations. Official reports must be submitted to the Office of Undergraduate Admissions for review.

Except in the Department of Dance, the maximum number of units transferable by the combination of examination and college-level coursework completed in high school shall not exceed a total of 32. The maximum number of AP and/or IB units to be applied to the general education requirements of the undergraduate degree shall not exceed a total of 8. The remainder of units granted by examination, up to the maximum, will be applied to electives. Students receiving credit toward the degree may not take the corresponding college-level course in the College of Arts and Science for credit. If they do, they will lose the Advanced Placement credit.

1. Students who obtain a score of 5 and who major or minor in art history are exempt from the introductory course, but AP credit does not reduce the total number of courses required for the major or the minor.

2. Students wishing to enroll in Calculus II (MATH-UA 122) or Calculus III (MATH-UA 123) must meet one or more of the prerequisites detailed in course description. Please visit College of Arts and Science course search, under the course heading Math (MATH-UA122/123) at www.nyu.edu/registrar.

3. In order to receive credit for a score of 4 or 5 on Chinese Language and Culture and/or Japanese Language and Culture, students must successfully place above Intermediate II on language placement exams administered by the East Asian Studies department. This satisfies the MAP foreign language proficiency requirement. Units awarded in this manner count as elective credit and cannot be applied to the East Asian Studies major or minor.

4. Credit received for the Environmental Science exam does not count toward the major or minor in environmental studies.

5. Credit received for the German Language exam does not reduce the number of courses required for the German major.

6. Students wishing to go on in Latin must consult the Classics department for proper placement. AP credit will not reduce the number of courses required for the major or minor.

7. Students who major or minor in economics in the policy concentration are exempt from the introductory principles courses as listed above, but AP credit does not reduce the total number of courses required for the major or minor. AP credit does not apply to ECON-UA 5.

8. Students who obtain a score of 4 on the Spanish Literature exam receive 4 units for SPAN-UA 100. If they wish to continue taking Spanish classes, they must take a language placement exam and consult with the Director of the Spanish Language Program.

9. Students who obtain a score of 5 on the Spanish Literature exam receive 4 units for SPAN-UA 100. They must consult with the Director of the Spanish Language Program if they wish to continue taking Spanish classes, or if they wish to receive credit for SPAN-UA 200, instead of for SPAN-UA 100.

10. Students who obtain a score of 5 and who major in psychology receive credit for Statistics for the Behavioral Sciences and may count it toward the major. Those with a score of 4 are exempt from this course, but the AP credit does not count toward the nine courses required for the major.

11. Credit can count as an elective toward the history major but not toward the history minor.

**GLOSSARY OF TERMS**

*Academic Progress:* The Office of Financial Aid checks to see if you are making what is considered “academic progress,” and have earned at least 76% of your attempted credits each academic year with passing grades and maintain a cumulative GPA of at least 2.0. More information on academic progress requirements for financial aid can be found at www.nyu.edu/financial.aid/progress.html.

*Albert:* NYU's web-based Registration System, named after founder Albert Gallatin. You register and waitlist for courses using Albert. You can also check course availability, declare a cross-school minor, update your contact information, check your midterm and final grades, view your transcript and schedule, check to see if you have registration blocks, and check your account balance with the Bursar. There is also a link to Financial Aid. For more information about Albert please see http://www.nyu.edu/registrar/registration/albert-registration.html. To access Albert, login to home.nyu.edu, choose the “Academics” tab, and click “Albert Login.”

*Advisement:* Each semester you will have an advising session prior to the registration period. Once you have been advised by your advisor or departmental registration professional, you will then be cleared to register.

*Class Numbers:* The number that you enter on the ALBERT Registration screen to register for a course. You can find this number in the course detail once you identify a course you are interested in enrolling. Other course detail information include class time, day(s), location, professor, number of units, class status and any special notes.

*Core Curriculum:* This refers to the Tisch School of the Arts’ required expository writing courses: Art in the World (EXPOS-UA 5) in the fall semester,
and The World Through Art (ASPP-UT 2) in the spring. For more information on the core curriculum, see page 22 in this handbook.

**Course Number:** Has three parts: the prefix gives you the School and Department, the following digits give you the course, and the final three digits tell you the section. For example: CINE-UT 10.001 is Tisch Cinema Studies Department (CINE-UT), Intro to Cinema Studies (10), section 1 (001).

**Degree Requirements:** Each department has a minimum number of units that must be completed in specific areas, as well as a total number of units required to achieve your degree.

**Drop/Add:** In the first two weeks of a semester, students can drop or add courses using Albert. In the third week, students must process a Program Change Form and get a departmental signature (and if adding a class, get the signature of the professor). Beginning with the fourth week, students must get an additional signature from the Tisch Office of Student Affairs. Students who drop a course after the second week of classes will receive a “W” (a Withdrawal notation) on the transcript for this course. The final deadline to drop a course is the first day of the ninth week of the semester. More information can be found on the Registrar’s website at www.nyu.edu/registrar/registration/withdrawal-schedules.html.

**Electives:** This term is used to describe units beyond your minimum required Major units and your General Education/ Liberal Arts units. These units can be taken in any subject you like, at any school within NYU (Tisch, CAS, Stern, Gallatin, Steinhardt) except at NYU School of Professional Studies.

**Expository Writing:** The Tisch School of the Arts has implemented a core curriculum in the freshman year which is a sequence of two semesters in expository writing. Through the core curriculum sequence, students may combine practical and theoretical approaches in regard to their ability to write and communicate, in order to achieve a comprehensive grasp of the work that art can do in the world. See page 22 of this handbook. These courses credit toward students’ general education units.

**Full-time status/Part-time status:** Full-time status is defined as enrollment in 12 to 18 units per semester, and are charged a flat tuition fee. Part-time students are those taking 1 to 11 units per semester (permission must be granted to do so, since Tisch programs are full-time.) Part-time tuition is charged on a per unit basis.

**General Education (Gen Ed)/ Liberal Arts:** The liberal arts portion of your degree is a large component of your education here at Tisch. You are required to take 32-44 General Education units, which is eleven 4 unit courses over 8 semesters. Courses that count toward the General Education (Gen Ed) requirement are those that broaden student perspectives through research, analysis, historical overview and/or critical thinking. These courses may not be related to your major, and are typically found through the College of Arts & Science, as well as a number of pre-approved Gen Eds at Tisch. Courses that do not count toward this requirement are professional or practical in nature or apply toward your departmental requirements. If you have questions about Gen Ed courses, consult your department.

**NYUHome:** NYU Home (www.home.nyu.edu) is the web-based portal that allows you to access your email, Albert, research tools, and other university services. You can find out how to activate your NYUHome account here: www.nyu.edu/its/nyuhome or on page 4 of this handbook.

**Plenary or lecture (LEC):** The “plenary” meetings of your courses are the lectures that all members of the class attend.

**Recitation (RCT):** The meetings of your classes that relate to a lecture, but are smaller in class size (you are divided into sections) and the material covered in the lecture is discussed in finer detail. Students should register for recitations that correspond to lecture sections, when applicable.

**Refund Schedule:** Students who drop from full time to part time status, or who are overenrolled and drop down to full-time status after the first day of classes may be eligible for a partial refund of tuition. The Office of the Bursar publishes a refund schedule each semester. For detailed clarification of policies and the schedule, please see: http://www.nyu.edu/bursar/refunds/

**Registration:** Each semester you are assigned a registration appointment time based on the number of earned credit hours (accumulated units) for course work you have completed. Neither credit from courses that have grades of “Incomplete” nor for courses in which you are currently enrolled is counted toward the earned credit hours. With the exception of this registration for your initial semester, you will be required to meet with an advisor prior to registration in order to be cleared to register. Once you have met with your advisor, you can go on Albert and register for classes at your assigned registration time. Students can check registration status every semester prior to
registering to ensure there are no stops on registration, which can occur for such reasons as failure to submit proper immunization records, a library fine, an outstanding balance, or other reasons.

**Unit:** A unit refers to the value and time requirements of an academic course. The term credit, point, and unit is used interchangeably in the ALBERT registration system, in course descriptions, and in your discussions with faculty and administrative staff.

**TSOA Policies and Procedures Handbook:** This is an informative booklet that details academic policies and other guidelines at Tisch. New students receive a handbook from the Tisch Student Affairs office during orientation week, and can download a copy at http://students.tisch.nyu.edu/page/acadServices.html (under “Downloads”).
