17 year-old Ree Dolly (Jennifer Lawrence) sets out to track down her father, who put their house up for his bail bond and then disappeared. If she fails, Ree and her family will be turned out into the Ozark woods. Challenging her outlaw kin's code of silence and risking her life, Ree hacks through the lies, evasions and threats offered up by her relatives and begins to piece together the truth.

Words - Max Strebel

1:43 min

A silhouetted figure struggles against a violent environment composed solely of written text. The faceless character can't escape the attacks and must consume the words in order to create an ideal world. "Words" is an experimental animation made up of over 800 paintings done directly on pages of text.

WWJD - Marc Parees
